## Ampeducator Login

This is Ampeducator's Login page as viewed on your phone but looks exactly the same on a computer too. You can access this webpage by going to the URL:

[Http://ssl.ampeducator.com](http://ssl.ampeducator.com)

The username and password will be distributed to you sometime during your first week of classes. If it is not given to you, you can request it from one of your administrators and they will give it to you as soon as possible.

Ampeducator is for students to keep track of their own attendance and grades and will show personal information, so do not show other people your account or share your username and password. If you notice information is wrong, please let an administrator know.

---

THIS IS AMPEDUCATOR'S HOMEPAGE AFTER LOGGING IN ON A COMPUTER

---

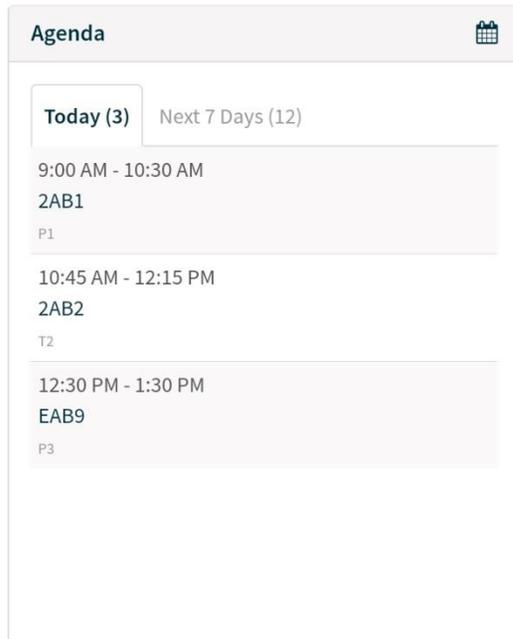

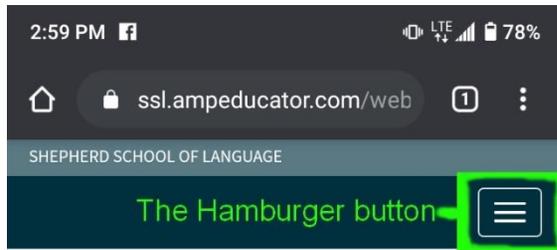

On your homepage you can see your agenda for the day on the left, which lists your classes in order for that day inside Agenda. In the middle the list called courses, shows all your courses and lists them alphabetically (by the course code) and announcements on the right side is information that we want you to pay attention to. At the top of the screen is a list of other accessible pages for your viewing.

Pay attention to the underlined codes on the right of the course name in the middle Courses box. This indicates the if the class is in-person, online, morning or evening as well as the day and time of the class. The first set of letter/number M1, P1(IP), E1, M3 are indicators for online morning (M1), in-person P1(IP), online evening (E1), and for those classes that are online M1, M2, M3, M4, E1, E2, E3, etc. The number indicates the classroom inside the Teams program Classroom M1, Classroom M2, Classroom E3. Since there are multiple classes of the same level, this helps guide you to the correct classroom you're sorted to. Now the second set of letter/number P1, T2, M5, P3. These indicate the day and the time of your class. P = The class is every day, M = Monday/Wednesday, T = Tuesday/Thursday. 1 = 1<sup>st</sup> class for morning classes, 2 = 2<sup>nd</sup> class for morning classes 3 = 3<sup>rd</sup> class for morning classes. 4 = 1<sup>st</sup> class for the evening classes, 5 = 2<sup>nd</sup> class for the evening classes, 6 = 3<sup>rd</sup> class for the evening classes.

The screenshot displays the AMPEDUCATOR homepage interface. At the top, a dark navigation bar contains the text 'SHEPHERD SCHOOL OF LANGUAGE' on the left and '©2009-23 AMPEDUCATOR INC · TOS · PRIVACY' on the right. Below this, a secondary navigation bar includes a home icon, 'Profile', 'Courses', 'Attendance', and 'Account' on the left, and a user profile icon labeled 'SSLtest' and a help icon on the right.

The main content area is divided into three vertical panels:

- Agenda:** Shows a calendar view for 'Today (3)' and 'Next 7 Days (12)'. It lists three time slots: 9:00 AM - 10:30 AM (0AB1, P1), 12:30 PM - 1:30 PM (EAB4, P3), and 6:45 PM - 8:15 PM (1AB3, M5). Blue arrows point from these course codes to the corresponding entries in the Courses panel.
- Courses:** Lists three courses: '0AB1 Beginner Structure and Speaking M1 P1', '0AB2 Beginner Reading and Vocabulary P1(IP) T2', and '1AB3 Basic Academic Writing E1 M5'. Below the list is a link: 'View academic history here.' The underlined codes in the course titles correspond to the codes in the Agenda panel.
- Announcements:** Contains three notices: 'Attention: New Payment System' (POSTED DEC 11, 2020), 'All Action Requests must be e-mailed to request@SSL.edu' (POSTED NOV 1, 2022), and 'Invasion of Privacy' (POSTED FEB 9, 2023).

## Ampeducator's homepage

This is the same homepage as above, but shrunk to be viewable on your phone. As you can see, it still shows the agenda, courses and if you scroll down to see more you'll also see the announcements are still there as well.

Whats missing is the top buttons that you saw on the computer browser. On your phone it condenses it and puts them into the hamburger button. When you click on the hamburger button it will open a menu to select the same options that were on the computer version.

## ATTENDANCE PAGE FROM YOUR COMPUTER

On this page, as you can see, is your attendance. The overall attendance % is the % of attendance from the first day to current with SSL. The current attendance number should reflect the attendance from overall with the current sessions attendance, but is not accurate as it does not have all the data until the current session is finished. In this example 20 Fall 1 is the current session and reflects the students current attendance.

### COURSES TAB ON THE COMPUTER

---

When selecting the courses tab it provides a drop down menu to select your classes from. Unfortunately, it does not provide a way to identify which is your current classes from this list at the moment. As you can see, this student has 2 Basic classes for each course and 2 intermediate classes for each course. The only way to tell is by selecting one and looking at the details from the next page.

## Courses tab

This is the courses tab as viewed from the phone. When you tap on the courses tab from the hamburger button, it opens a list of your courses that you can scroll through. Again it will not provide which session a course belongs to, so you'll have to open the course and look at the next page to see which it is.

COURSE SELECTED, PAGE OPENED AS VIEWED FROM A COMPUTER

---

This is the page you'll see when you select a course to view. Near the top, you can see the courses name, the location, the session, dates, etc. Below that information is a few tabs you can select as well: Home, Docs, and Grades. It is on the Home tab by default, this will show any announcements a teacher may have given to the class (currently none), the instructor you can see is Marina and an upcoming events they have scheduled (currently not in use). The docs tab will be where you can find any documents the school or the teacher has uploaded for you to have access to. The Grades tab will show you all the grading you've received in the class on a weekly basis. Below this page are some screenshots of how this looks from your phone.

## USER ACCOUNT BUTTON AS VIEWED FROM THE COMPUTER

---

Not the same as the account button shown after attendance. The account button after attendance is not currently in use. The User account button on the right is actually your name as you'd see it in ampeducator and can be clicked on. When opened this menu drops down where you can logout or view your user account information. This is where you can change your password if you wish, your language (which I think only offers English at the moment), and your time zone. Make sure to click that green update button to save the changes you made. For the phone you can access this from the hamburger button and tapping your name and then scroll through the options under it to access the User account and logout button.

The screenshot displays the AmpeDucator web interface. At the top, a dark blue navigation bar contains the text "SHEPHERD SCHOOL OF LANGUAGE" on the left and "©2009-20 AMPEDUCATOR INC · TOS · PRIVACY" on the right. Below this, a secondary navigation bar includes a home icon, "Profile", "Courses", "Attendance", and "Account" links. On the right side of this bar, a user profile icon is visible, with a dropdown menu open. The dropdown menu lists the following options: "Student", "Last Login: Sep 29, 2020 12:45 PM", "User Account", and "Logout".

The main content area is divided into three columns:

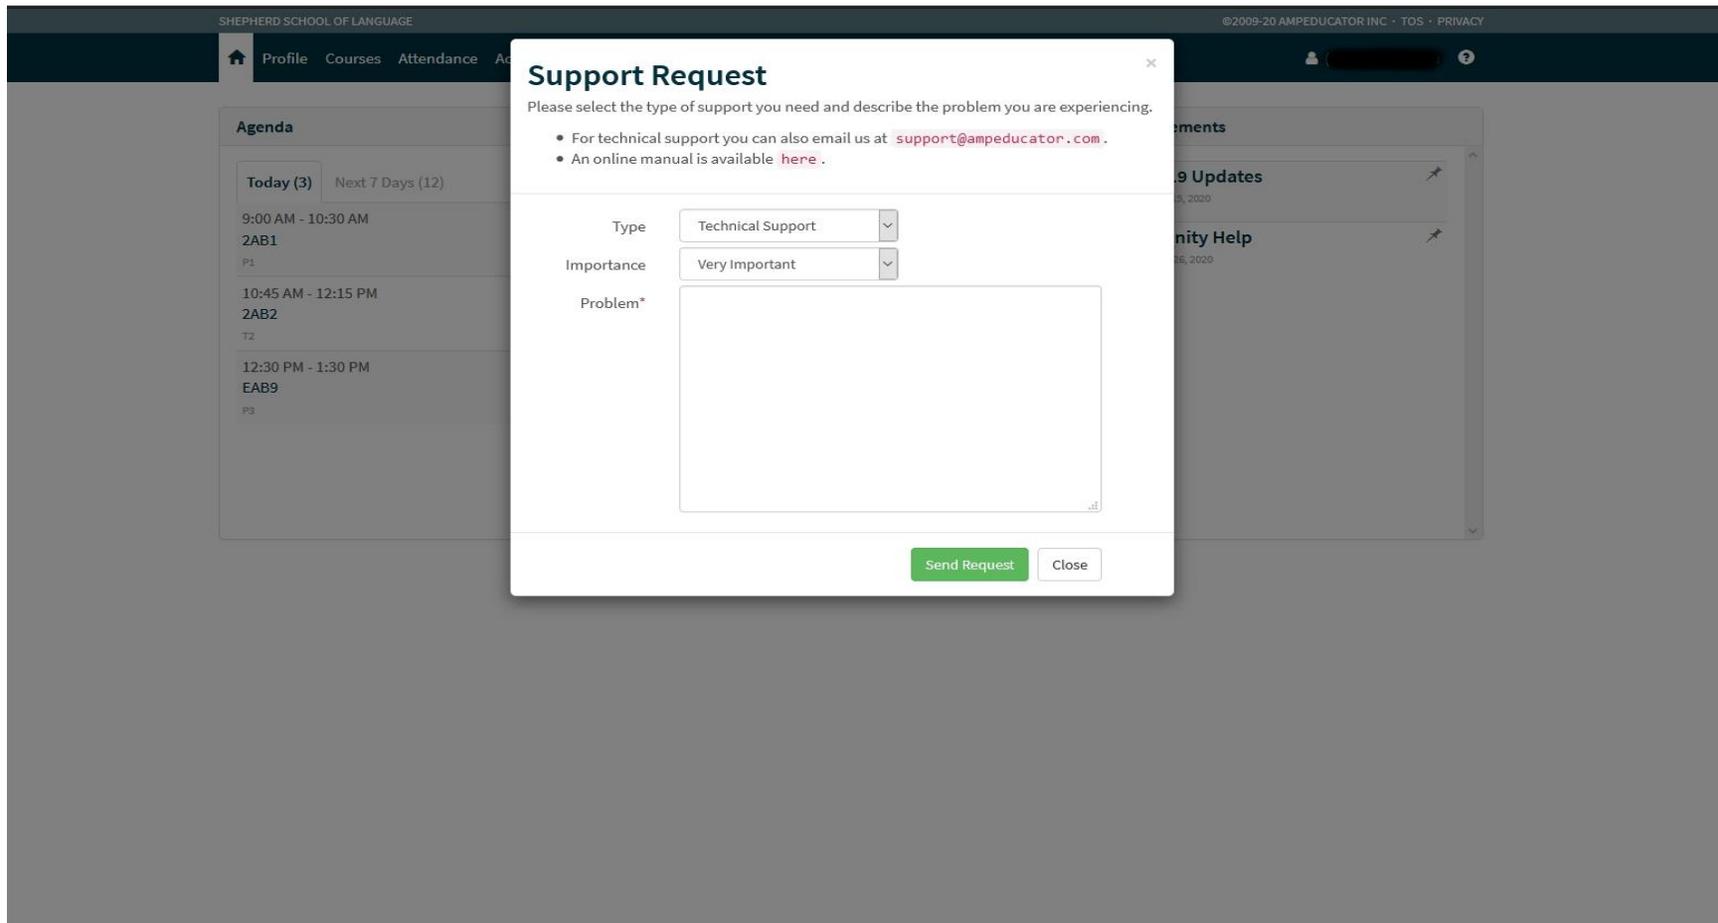

- Agenda:** Shows a calendar view for "Today (3)" and "Next 7 Days (12)". It lists three classes: "2AB1" (9:00 AM - 10:30 AM, P1), "2AB2" (10:45 AM - 12:15 PM, T2), and "EAB9" (12:30 PM - 1:30 PM, P3).
- Courses:** Lists various course sections, including "1AB1 Basic Structure & Speaking", "1AB2 Basic Reading and Vocabulary", "1AB3 Basic Academic Writing", "2AB1 Intermediate Structure and Speaking P1", "2AB2 Intermediate Reading and Vocabulary M2", and "2AB3 Intermediate Academic Writing T2".
- Announcements:** Shows two announcements: "COVID" (POSTED JUL 26, 2020) and "Comm" (POSTED AUG 26, 2020).

---

## HELP BUTTON FROM THE COMPUTER

---

Next to the user account button is a little ? button. If you select this it will open a window to contact Ampeducator's support team. Yes, you can contact them too. You can email them directly at [support@ampeducator.com](mailto:support@ampeducator.com) or you can use this button and just send them a message, it will forward the response to your email listed on your account. They may want a screenshot of the issue so you might send it by email instead of using this option. Their response time is usually around 3hrs to next day. If you want to skip this entirely, you can always contact your administrators and have one of them email Ampeducator instead. Below is a screenshot of the same button as viewed from your phone.

The screenshot shows a 'Support Request' modal window overlaid on a user interface. The background interface includes a header for 'SHEPHERD SCHOOL OF LANGUAGE' and a navigation menu with 'Profile', 'Courses', and 'Attendance'. A sidebar on the left displays an 'Agenda' for 'Today (3)' with three time slots: 9:00 AM - 10:30 AM (2AB1, P1), 10:45 AM - 12:15 PM (2AB2, T2), and 12:30 PM - 1:30 PM (EAB9, P3). The modal window has a title 'Support Request' and a close button (X). Below the title, it asks the user to 'Please select the type of support you need and describe the problem you are experiencing.' and provides two bullet points: 'For technical support you can also email us at [support@ampeducator.com](mailto:support@ampeducator.com).' and 'An online manual is available [here](#).' The form includes a 'Type' dropdown menu set to 'Technical Support', an 'Importance' dropdown menu set to 'Very Important', and a large text area labeled 'Problem\*'. At the bottom of the modal, there are two buttons: a green 'Send Request' button and a white 'Close' button.

## Support Request

Please select the type of support you need and describe the problem you are experiencing.

- For technical support you can also email us at [support@ampeducator.com](mailto:support@ampeducator.com).
- An online manual is available [here](#).
